EU RoHS Conformity

Feb. 2022

We OPS SBU of LITE-ON Technology Corp. declared that our own brand products (SMD LED, Lighting LED, Lamp, IrDA, Infrared LED, Sensor, PTIR, *Photocoupler, LED Display, BLM and SMD LED Module are anufactured by us to compliance with Directive 2011/65/EU and DIRECTIVE (EU) 2015/863 of the European parliament and of the council of 8 June 2011 on the Restriction of Use of restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS) and 31 March 2015 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances.

For Photocoupler/LED Display/BLM/SMD LED Module are used below RoHS exemption.

*7(c)-I: Electrical and electronic components containing lead in a glass or ceramic other than dielectric ceramic in capacitors, e.g. piezoelectronic devices, or in a glass or ceramic matrix compound.

The following substances were not intentionally added to any of the product identified, the real status verified by 3rd party test report.

EU RoHS Restricted Substance	Allowable Limit (at homogenous material level)
Cadmium and its compounds	100 ppm (0.01 weight %)
Mercury and its compounds	1000 ppm (0.1 weight %)
Hexavalent chromium and its compounds	1000 ppm (0.1 weight %)
Lead and its compounds	1000 ppm (0.1 weight %)
Polybrominated biphenyls (PBBs)	1000 ppm (0.1 weight %)
Polybrominated diphenyl ethers (PBDEs)	1000 ppm (0.1 weight %)
Bis (2-ethylhexyl) phthalate (DEHP)	1000 ppm (0.1 weight %)
Butyl benzyl phthalate (BBP)	1000 ppm (0.1 weight %)
Dibutyl phthalate (DBP)	1000 ppm (0.1 weight %)
Diisobutyl phthalate (DIBP)	1000 ppm (0.1 weight %)

REACH

June. 2025

The Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (**REACH**) entered into force on June 1, 2007. LITEON is aware of and agrees with the purpose of REACH which is to ensure a high level of protection of human health and the environment. LITEON is compliant with all applicable requirements of REACH and upon request shall provided information regarding the chemical composition of our product(s).

LITEON is a component producer and the products we supply shall not release any substance under normal or reasonably foreseeable conditions of use, therefore our company are obligated under Article 33 of REACH, but isn't obligated for registration nor to provide safety data sheets (SDS) which is an obligation of manufacturer or importer of preparations into Europe. It is expected that any electronic materials manufacturer that use preparations from Europe in their products will ensure compliance with REACH registration requirements.

LITEON will continue to monitor the developments of the REACH legislation and is committed to meeting our responsibilities as an environmentally-responsible company. If customers need to know the products REACH status, please kindly provide us the products part numbers and we will declare the real status.
